

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 0970-0401)

TITLE OF INFORMATION COLLECTION: Investigation and Analysis of Assets for Independence (AFI) Program Application Barriers and Challenges

PURPOSE: To identify opportunities for improvement to the AFI program grant application process, the Office of Community Services (OCS) is gathering feedback about this process.

DESCRIPTION OF RESPONDENTS: Respondents will include prospective and/or current grantees who meet the selection criteria for each of the segments that have been identified. The table below provides a summary of the segments that will be recruited and the pool size (i.e., population) available for recruitment.

Segment	Definition	Pool Size
1. Applicant organizations that have not received funding	Organizations that have submitted an application since September 2013 but were not funded; includes some former grantees whose initial grant periods had ended.	16
2. Prospects/non-applicant organizations	Organizations that reached out to the AFI Resource Center two or more times since September 2013 but never submitted an application.	348
3. AFI grantees who have drawn down over 80% of their current grant funds (A proxy for higher-capacity organizations)	Current grantees; Most recent Open-Active grant start date 2014 or after; Percentage of eligible grant funds drawn down >80%.	27
4. AFI grantees awarded <\$100,000 in funding (A proxy for lower-capacity organizations)	Current grantees; Most recent Open-Active grant <\$100,000; Most recent Open-Active grant start date 2014 or after; not included in segment 3.	18
5. AFI grantees who have been awarded funding more than one time (A proxy for higher-capacity organizations)	Current grantees; Multiple grants; Most recent Open-Active grant start date 2014 or after.	58
6. Organizations from segments 1-5 located in rural communities	Current grantees and prospects with mailing zip codes in an area with low population density (up to 1,000 people per square mile).	137, of which 30 are current grantees
7. Organizations from segments 1-5 located in urban communities	Current grantees and prospects with mailing zip codes in an area with high population density (more than 6,000 people per square mile).	77, of which 17 are current grantees
8. Executive Directors from segments 1-5	Includes individuals from organizations listed in Segments 1-5, for whom contact information exists in our databases for a person with any of the following titles: Associate/Assistant Executive Director, CEO, COO, Deputy Executive Director, Executive Director, Executive Vice President, President	135
9. Financial institutions	Financial institutions (credit unions, community banks, national banks) partnering with triad participants	Expected to be no more than 15
10. Funders	Funders (community foundations, government) partnering with triad participants	Expected to be no more than 15

For segments 1-7, the target participant is the individual from the organization who had the most contact with the AFI Resource Center while planning their AFI Application. Segment 8 will include Executive Directors from participating organizations, and segments 9-10 will involve leaders from financial institutions and funders that have worked closely with AFI Grantees.

After this initial data collection phase, follow-up conversations will be conducted to collect feedback on recommendations. In this follow-up phase, no more than nine participants will be contacted, thus they are not included in this request.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

Recruitment for segments 1 – 8 will be conducted using existing databases of current AFI grantees and organizations that have contacted the AFI Resource Center. Potential participants in segments 9 and 10 will be requested through a snowball/referral sample from segment 1 – 8 participants. Outreach will be performed using email; therefore, our sample will be organizations that respond to the outreach emails and indicate they are willing to participate. All potential participants in the segment pool will be sent the outreach email.

Administration of the Instrument

1. How will you collect the information? (Check all that apply)
 Web-based or other forms of Social Media
 Telephone
 In-person
 Mail
 Other, Explain
2. Will interviewers or facilitators be used? Yes No

Please make sure that all instruments, instructions, and scripts are submitted with the request.
