**TITLE OF INFORMATION COLLECTION:**

*Input on Agenda for 2017 Annual Meeting of Child Care and Early Education Policy Research Consortium*

**PURPOSE:** *We are seeking input on programming for the 2017 Annual Meeting of the Child Care and Early Education Policy Research Consortium (CCEEPRC). The Annual Meeting brings together researchers, program administrators and policymakers concerned with building the knowledge base and strengthening bridges between research and policies concerning increasing access and quality of early care and education. Through conversations with the CCEEPRC Steering Committee, Topical Work Groups, and leadership in the Administration for Children and Families, we have developed an initial list of priority discussion topics and research issues. However, we want the meeting agenda to:*

- (a) reflect ideas and interests from a wider spectrum of perspectives;*
- (b) include new research by CCEEPRC members that is relevant to goals of CCEEPRC; and*
- (c) nurture new connections and collaborations among CCEEPRC members.*

*A brief web-based survey of CCEEPRC members will provide a quick and convenient opportunity for CCEEPRC members to contribute their views, current interests, work and questions to shape the meeting agenda.*

**DESCRIPTION OF RESPONDENTS:**

*The survey will be sent to current members of the Child Care and Early Education Policy Research Consortium (CCEEPRC), a network of current and former grantees, contractors, and other stakeholders who have received funds from the Administration for Children and Families to conduct research addressing policy questions of relevance to the Child Care Development Fund, Head Start Program Performance and related initiatives in the field of early care and education. Currently, the electronic mailing list of the CCEEPRC includes 277 individuals.*
