Request for Approval under the "Generic Clearance for the Collection of Routine Customer Feedback" (OMB Control Number: 0970-0401)

TITLE OF INFORMATION COLLECTION: Rigorous Evaluation Technical Assistance (RETA) Feedback Form

PURPOSE: We request approval to collect customer service feedback on evaluation-focused technical assistance (called Rigorous Evaluation Technical Assistance, or "RETA") delivered to grantees in two grant programs under the Personal Responsibility Education Program (PREP): the PREP Innovative Strategies (PREIS) program, and the Tribal PREP program. PREP is administered by the Administration for Children and Families (ACF).

As background, grantees in PREIS and Tribal PREP implement programs for youth that address both abstinence and contraception: grantee program staff carry out this programming. Grantees are also conducting evaluations (some impact in design, others descriptive in design) of the programming: these grantee-specific evaluations are called "local evaluations" in shorthand. Grantees hire independent evaluators to carry out evaluations: these evaluators are called "local evaluators" in shorthand. Grantee program staff and local evaluator staff receive evaluation-focused technical assistance (TA) services provided by Mathematica Policy Research, under contract to ACF. Customer service feedback will address this evaluation-focused TA.

DESCRIPTION OF RESPONDENTS:

Staff at each of the PREIS and Tribal grantees will be invited to respond, specifically:

- There are thirteen PREIS Grantees:
 - O Up to three grantee program staff involved with implementing programming and coordinating with the local evaluator;
 - O Up to three local evaluator staff.
- There are eight Tribal PREP Grantees:
 - O Up to three grantee program staff involved with implementing programming and coordinating with the local evaluator;
 - O Up to three local evaluator staff.
