IV. Request for Comments

We invite your comments on:

(a) Whether the collection of information is necessary for the proper performance of our functions, including whether the information will have practical use;

(b) the accuracy of our estimated time and cost burden of the collection of information, including the validity of the methodology and assumptions used;

(c) ways to enhance the quality, usefulness, and clarity of the information to be collected; and

(d) ways to minimize the burden of the collection of information on respondents, including increased use of automated collection techniques or other forms of information technology.

We will summarize all comments received regarding this notice. We will publish that summary in the **Federal Register** when the information collection request is submitted to OMB for review and approval.

V. Public Disclosure

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: November 14, 2016.

Roseann Gonzales,

Director, Policy and Administration.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Modification to Consent Decree Under the Clean Water Act

On December 15, 2016, the Department of Justice lodged a proposed

Stipulation to Modify Consent Decree with the United States District Court for the District of Connecticut in the lawsuit entitled *United States, et al. v. City of West Haven, Connecticut*, Civil Action No. 3:13-cv-01883 (JCH).

In a supplemental complaint, the United States, on behalf of the U.S. Environmental Protection Agency, and the State of Connecticut, on behalf of the Connecticut Department of Energy and Environmental Protection, allege that the City of West Haven violated the Clean Water Act, 33 U.S.C. 1251, *et seq.*, by failing to comply with Sections 5(b) and 6 of the Small Municipal Separate Storm Water System (“MS4”) General Permit, which requires the City to develop, implement, and enforce a Surface Water Monitoring Plan (“SWMP”) designed to reduce to the maximum extent practicable the discharge of pollutants from its Small MS4. The proposed stipulation in this case, among other things, requires that the City update its illicit discharge ordinance; update its SWMP by submitting revised MS4 outfall maps
