Occupational Employment Statistics

Why should you participate in the Occupational Employment Statistics (OES) report?

- A majority of respondents take 30 minutes or less to complete the report!
- You are providing vital wage and employment information that helps job-seekers and students!
- You can use OES data to help identify employment demands in your industry!
- Your survey responses will be kept completely confidential!
- Without your help, it wouldn't be possible to collect this valuable information!

Using OES data, you can see wage and employment data in all 50 states, the District of Columbia, Puerto Rico, Guam, and the Virgin Islands.

| Occupations with the largest employment in the general medical and surgical hospitals industry, May 2016 | |
|--|------------|
| Occupation | Employment |
| Registered Nurses | 1,649,480 |
| Nursing Assistants | 354,450 |
| Medical Secretaries | 138,950 |
| Radiologic Technologists | 117,060 |
| Medical and Health Services Managers | 114,300 |
| Maids and Housekeeping Cleaners | 102,560 |
| Physicians and Surgeons, All Other | 98,500 |
| Respiratory Therapists | 95,180 |
| Medical and Clinical Laboratory Technologists | 93,350 |
| Licensed Practical and Licensed Vocational Nurses | 93,050 |

Go to our website to find this data for other occupations or for specific states!

To find more OES data, please visit:
www.bls.gov/oes/tables.htm

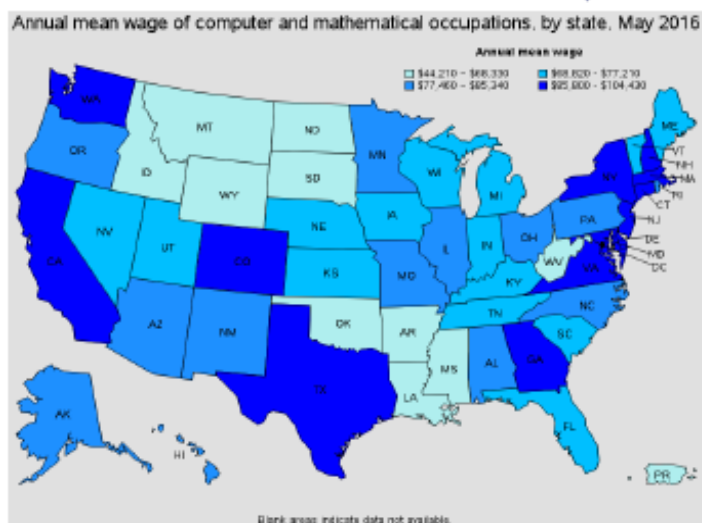

Why should you participate in the OES report?

Your valuable information helps students and job seekers across the country!

A majority of our respondents take 30 minutes or less to complete the survey!

To view more of the data we produce visit:

www.bls.gov/oes/tables.htm

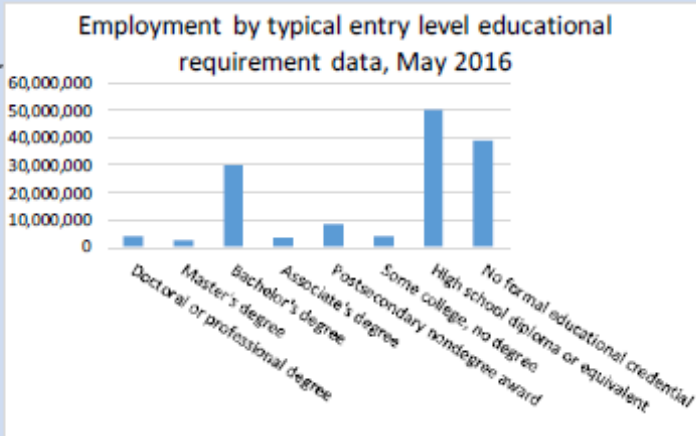

Your information is **VITAL** to producing accurate and reliable employment and wage estimates. We wouldn't be able to provide this type of information without the assistance from businesses like yours!!!

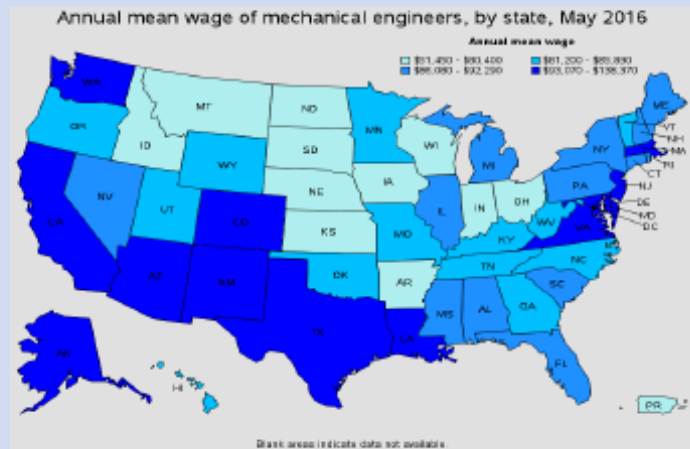

By spending approximately **30 minutes** completing the report, you are providing valuable information to the American worker!

SO WHY SHOULD YOU PARTICIPATE IN THE OES REPORT???

Help Students and Job Seekers — Your participation provides reliable and accurate wage and employment data.

Wage and Employment data for over 800 occupations — Without your help, we wouldn't be able to calculate this important data!

To learn more about the OES program and see all of the wage and employment data available, please visit:
