PART A. PAPERWORK BURDEN STATEMENT

The Paperwork Reduction Act and the NCES confidentiality statement are indicated below. The statements will be included in the materials used in the study.

Paperwork Burden Statement, OMB Information

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1880-0542. The time required to complete this information collection is estimated to average fifteen minutes. If you have any comments concerning the accuracy of the time estimate, suggestions for improving this collection, or any comments or concerns regarding the status of your individual submission of this form, please write to: David A. Richards, National Center for Education Statistics, Institute of Education Sciences, U.S. Department of Education, 550 12th Street, SW, Washington, DC 20202.

This is a project of the National Center for Education Statistics (NCES), part of the Institute of Education Sciences, within the U.S. Department of Education.

Your participation is voluntary and all of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151).

OMB No. 1880-0542 Approval Expires 07/31/2022

PART B. RUF User Survey

Please fill out the survey below about your experience using these data. Your personal information will not be associated with your answers.

1. Are you the license-holder for the BPS:12/17 restricted-use data?

- Yes
- No
- Don't know or Does not apply

2. Please rate the BPS:12/17 data on the following items. Use a 10-point scale where "1" is "poor" and "10" is "excellent." If you do not know the answer or an item does not apply to you, please indicate "Don't know or Does not apply."

	Poor										Excellent	Don't know or Does not apply

If you indicated that you use other variable categories, please provide details:

7. Do you use the BPS:12/17 data to derive new variables not already included with the data?

Yes

No—GO TO 9

8. Please provide details on the new variables you derive using the BPS:12/17 data:

9. Do you use the BPS:12/17 data to merge these data with data from other sources?

Yes

No - GO TO 11

10. Please provide details on the other sources of data that you merge with BPS:12/17 data:

11. Please provide any additional comments about the BPS:12/17 dataset.
