*Type of Request:* Reinstatement with change of a previously approved collection.

*Description of the need for the information and proposed use:* 24 CFR part 58, “Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities” requires units of general local government receiving HUD assistance to maintain a written environmental review record for all projects receiving HUD funding documenting compliance with the National Environmental Policy Act (NEPA), the regulations of the Council on Environmental Quality, related federal environmental laws, executive orders, and authorities, and Part 58 procedure. Various laws that authorize this procedure are listed in 24 CFR 58.1(b). 24 CFR part 50, “Protection

and Enhancement of Environmental Quality,” implements procedures for HUD to perform environmental reviews for projects where Part 58 is not permitted by law. Under Part 50, HUD staff complete the environmental review records, but they may use any information supplied by an applicant or contractor, provided HUD independently evaluates the information and is responsible for its accuracy and prepares the environmental finding. HEROS allows users to complete, store, and submit their environmental review records and documents online. HEROS is currently optional for Responsible Entity and other non-HUD users, who may continue to use paper-based environmental review formats; however, HUD staff in many offices are required to use HEROS to complete their environmental reviews.
