

Soon, a Census employee from your area will come to your door to collect your response to the American Housing Survey (AHS). The AHS is used to help Federal, State and local governments, businesses and non-profits understand changes in housing conditions, costs, and other important information about your community to better design policies and services like schools, roads, and hospitals.

Here's what you need to know:

- Every two years, fewer than 1 in 1,000 households are selected to represent the nation, and **more than 89% of these households respond** make sure your voice is one of them!
- You can choose when you want the Census employee to stop by. Call << regional phone number>> to schedule your appointment and use the tear-off appointment reminder below.
- The employee will show you their badge when they arrive. If you'd like, you can verify they are an employee by going to https://census.gov/verify and typing in their first and last name.

With gratitude, The U.S. Census Bureau

	Pick a date and time before July 30th that works for you to take the 30-minute survey with a Census employee at your home:						
Circle o	ne: ⁄ Tuesday W	Vednesday	Thursday	Friday	MM /	DE	
<u> </u>							

- Call << regional phone number>> to schedule this appointment.
- 3 Tear this appointment card off and put on your fridge or somewhere as a reminder!

Our commitment to you:

We promise not to publicly release your responses in a way that could identify you.

We promise that we will use every technology, statistical methodology, and physical security procedure available to protect your information.
