The information in the “Hard Copy Documents” column was included within the scope, or was a by-product, of that audit. Further, our opinion on the fair presentation of the Housing Authority’s Financial (FDS) dated _____⁴, was expressed in relation to the basic financial statements of the Housing Authority taken as a whole.

A copy of the reporting package required by OMB, which includes the auditor’s reports, is available in its entirety from the Housing Authority. We have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, REAC.

This report is intended solely for the information and use of the Housing Authority and the U.S. Department of Housing and Urban Development, REAC, and is not intended to be and should not be used by anyone other than these specified parties.
