

21st CCLC Youth Participant Interview

Hi there! We would like to ask you some questions about the Making activities you've been doing recently. We want to know what you think about the Making activities and how you've felt about the activities and if you might want to do more Making activities in the future. Your parent/guardian have given us written permission to talk to you, but you don't have to answer any of our questions if you don't want to, and there are no right or wrong answers.

Is it ok if I ask you some questions about your Making projects and audio record your answers? (Confirm yes/no).

- 1) Tell me about the Making project you have been working on today.
 - a. How did you design it?
 - b. How did you build it?
 - c. What changes did you make to it along the way?
- 2) What other types of Making projects have you been doing during this program?
- 3) Had you ever done anything like these Making activities before this program?
 - a. If yes, please explain what you have done before.
- 4) What was the most exciting or fun part about these Making activities?
- 5) What wasn't so fun or exciting about the Making activities?
 - a. What do you think could be make the activities better for future kids who do this program?
- 6) What have you learned from doing the Making activities?
 - a. What is the point of the activities that you have been doing?
- 7) Is there anything you know how to do now that maybe you didn't know how to do before these activities?
 - a. If yes, what kinds of things?
- 8) Have you told your parents or friends about the Making activities you've been doing at this program?
 - a. If yes, what did you tell them?
 - b. Why did you decide to tell them about these activities?
- 9) If you had the chance to do more Making activities, do you think you want to do activities like this again?
 - a. Why or why not?
