OMB Control Number: 0583-0153.

Title of Clearance: Public Health Information System.

Agency Form Number affected by Change Worksheet: Establishment Application for Export FSIS Forms 9080-3 and 9060-6 (9 CFR 590.200).

Summary of Changes:
FSIS is providing the following administrative and formatting changes to FSIS Form 9080-3 and FSIS Form 9060-6. The estimated burden for the forms will not change. The changes are as follows:

9060-6

Form Changes (first page)

- added Airline in the shipment type box
- widened the "description of product" and "net weight of lot" columns
- narrowed the "HACCP Cat.", "no packages in lot", and "type of packages in lot" columns

Instruction Changes (pages 2-3)
- Items 8 and 9: "If desired, the applicant can also include a phone number and email address."
- Item 13: abbreviated "Cat."; changed "abbreviation" to "code"
- Item 17: modified instructions to include pounds or kilograms as well as pounds and kilograms
- Item 20: capitalized "I" and "M" in the heading; modified instructions for added clarity
- Item 22: modified instructions to include pounds or kilograms as well as pounds and kilograms
- Item 23: added a period to the end of the sentence
- Item 28: corrected comma spacing error

9080-3

Form Changes

• Removed last sentence with outdated link to export library in item 12.

• Replaced "OIA. EXPORT STAFF" with "OPPD/IEPDS" in the TO box above item 6.

• Replaced "OFFICE OF INTERNATIONAL AFFAIRS" with "Email: ImportExport@fsis.usda.gov" in the box next to the TO box and above item 6.

Instruction Changes

• Modified the "Purpose" language to replace Office of International Affairs with Office of Policy and Program Development as well change the export library references to "FSIS Export Library" with a hyperlink.

• Modified the "Instructions" language to remove the reference to Office of International Affairs and added "emailed to the Office of Policy and Program Development" to the second sentence.

• Modified the "Approval" language to replace Office of International Affairs with Office of Policy and Program Development as well as change the export library references to "FSIS Export Library" with a hyperlink.
