No updates

If your government determined the U.S. Census Bureau's address list for the 2020 Census Local Update of Census Addresses Operation (LUCA) is correct and you have no address updates, please check the box below:

No updates or change in addresses

Because your government reviewed the LUCA addresses, you are eligible to be included in the LUCA feedback phase. After the Address Canvassing operation, the Census Bureau will provide the LUCA feedback materials between October and December 2019. The LUCA feedback provides an opportunity to determine if you agree with the results of the Address Canvassing operation. If you do not agree with the results, you may file an address appeal.

To receive the LUCA Feedback materials

1. Check the box below.
2. Make a copy of this letter.
3. Mail the copy to the Census Bureau in the enclosed, postage-paid envelope.
4. Keep the original letter for your records.
