CDC estimates the average public reporting burden for this collection of information as 4 minutes per survey, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D74, Atlanta, Georgia 30333; ATTN: PRA (09201129)

We thank you for your time spent taking this survey.
