

FREQUENTLY ASKED QUESTIONS REGARDING CONFIDENTIALITY [this information will be attached to each email sent]

WILL MY INFORMATION BE KEPT PRIVATE?

We take your privacy very seriously. The answers you give us are used for statistical research only. This means that your answers will be combined with other people's answers in a way that protects everyone's identity before they are shared. As required by federal law, NCHS staff and our designated agents (2M Research Services, LLC or 2M) will use your personal information (name, email address) only for a specific reason such as using contact information in order to invite you to participate in the study. NCHS and 2M will not release your data.

WHO WILL SEE MY ANSWERS?

All information that would permit identification of you is held strictly confidential, seen only by those persons approved to work on the project at NCHS and 2M, and is not disclosed or released to anyone for any other purpose without written consent from you.
