Subject: "Assessing the Effectiveness of eLearning to Improve Birth Data Quality" Study

Dear **[FIRST NAME] [LAST NAME]**:

Thank you for your participation in the study, "Assessing the Effectiveness of eLearning to Improve Birth Data Quality." Your contribution was critical to the success of the study.

The information obtained through this data collection effort will help to improve the national eLearning course, "Applying Best Practices for Reporting Medical and Health Information on Birth Certificates," and help to improve the quality of medical and health data collected on birth certificates. If you are interested in the results of this overall study, please contact the National Center for Health Statistics (NCHS) by emailing births@cdc.gov.

If you would like to receive continuing education credits or a certificate of completion (if you do not need credits) for completing the eLearning course, please click on one of the following links for instructions on how to complete a short post-test and evaluation of the course (not related to this study).

<https://www.cdc.gov/nchs/training/BirthCertificateElearning/certificate.htm> (certificate of completion)

If you have questions, please contact Michelle Osterman (MOsterman@cdc.gov) at NCHS for assistance.

Thank you again for your time.

Sincerely,

National Center for Health Statistics
