The investigation, accident and/or incident report is an official document on agency letterhead that includes the narrative description of the incident which resulted in the Public Safety Officer's death. The investigation, accident and/or incident report can be obtained from the law enforcement agency conducting the investigation.

A detailed statement of circumstances is a written summary of the on-duty incident that led to the Public Safety Officer's death. The document should summarize the incident, and provide descriptive information on the officer's fatal injury. The statement must be on agency letterhead and be signed by the agency head or designee.

The Medical Retirement/Disability Decision is an evidentiary document certifying that a final decision has been rendered on a Medical Retirement/Disability claim.

The Workers' Compensation final decision is an evidentiary document certifying that a decision has been rendered on a Workers' Compensation claim.

The Social Security Decision is an evidentiary document certifying that a final decision has been rendered on a Social Security claim.

The Federal Employees' Compensation Act (FECA) final decision is an evidentiary document certifying that a decision has been rendered on a FECA claim.

The DC Retirement and Disability Act final decision is an evidentiary document certifying that a decision has been rendered on a DC Retirement and Disability claim.

The September 11th Victim Compensation Fund (VCF) final decision is an evidentiary document certifying that a decision has been rendered on a September 11th VCF claim.
