					Weighted average of DS-156 population for 2016
					The Department estimates that the average hourly wage for applicants using the DS-156 to be \$7.50 (US). The Department estimates this based primarily upon historical visa data and statistics obtained from the UN International Labor Organization, while also utilizing statistics from the U.S. Bureau of Labor Statistics and the Australian government's published labor statistics. The UN International Labor Organization statistics are available at: http://www.ilo.org/ilostat/faces/oracle/webcenter/portalapp/pagehierarchy/Page3.jsp
