

**Supporting Statement for Paperwork Reduction Act  
Information Collection 3090-0292; FFATA Subaward and Executive Compensation  
Reporting Requirements  
Part B**

**B. Collections of Information Employing Statistical Methods**

**1. Universe and Respondent Selection**

Beginning October 1, 2010, regulation required prime awardees to disclose Federal contract and grant subaward data as well as executive compensation data based on specific dollar thresholds.

**2. Procedures for Collecting Information**

Information will be collected through the Federal Funding Accountability Transparency Act Subaward Reporting System (FSRS).

**3. Methods to Maximize Response**

Regulations requiring reporting are part of every contract and grant award document.

**4. Testing of Procedures**

These system requirements have been in place since October 1, 2010.

**5. Contacts for Statistical Aspects and Data Collection**

The point of contact is FSRS program manager John Corro. His phone number is 703-605-2733 and his email is john.corro@gsa.gov.
