| 14 | Subaward Project Description | Award title and description of the purpose of each funding action, if any. The description should capture the overall purpose of the subaward and, if there are multiple funding actions, sufficient description to define the need for each funding action. Example of project description: "Investment in public transportation: replace four 10 year old electric commuter train cars. In addition, funds will be used to construct a multi-modal Park and Ride facility featuring: commuter parking, transit hub, bicycle accommodations, and a potential future platform." For a second funding action to this grant, an example of an additional description: "Replace 2 additional electric commuter train cars that are 8+ years old." |                           | Y              | Free text entry       |  |

Privacy Act Notice:

In compliance with the Privacy Act of 1974, the following information is provided: Solicitation of the information is authorized by the Federal Property and Administrative Services Act of 1949, as amended, and Part III of Title 5, U.S.C; E.O. 9397. Disclosure of the information is voluntary. This form will be used as a means to prepare and issue a credential or pass. Information will be transferred to appropriate Federal, State, local or foreign agencies, when relevant to civil, criminal or regulatory investigations or prosecutions, or pursuant to a request by GSA or such other agency in connection with the firing or retention of an employee, the issuance of a security clearance, the investigation of an employee, the letting of a contract, or the issuance of a license, grant, or other benefit.

If the individual does not provide some or any part of the requested information, the employee will not be issued a credential and will not be allowed to enter a GSA-controlled building after normal hours or when the building is under security.
