

National Appeals Division Customer Service Survey

Dear Customer:

How did we do?

The National Appeals Division (NAD) would like to ask you to share your opinions on how well we served you during your appeal of a U.S. Department of Agriculture (USDA) adverse decision. Your responses are most important to us because they allow us to reinforce what you believe we are doing well. Your responses also enable us to take a hard look at ourselves and tailor appropriate training that will better serve our customers in the future. We appreciate your confidence in us and hope that we met or exceeded your expectations regardless of the outcome of your appeal.

NAD is an independent office that reports directly to the Secretary of Agriculture. NAD is not part of the USDA's Farm Service Agency, Risk Management Agency, Natural Resources Conservation Service, or the three USDA Rural Development agencies.

Results of the survey will be carefully reviewed and then added to the combined results of all other similar NAD surveys. Your responses are strictly confidential and will not be shared with anyone. **This survey has been designed so that no one can identify who completed the survey.**

Thank you for taking the time to share your responses with us.

Sincerely yours,

JERRY L. JOBE
