The prices paid for seed potatoes are an influential factor in computing the U.S. Index of Prices Paid by Farmers. Please report the prices received or to be received for seed potatoes used for 2016 plantings. The information you provide will be used for statistical purposes only. In accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws, your responses will be kept **confidential** and will not be disclosed in identifiable form to anyone other than employees or agents. By law, every employee and agent has taken an oath and is subject to a jail term, a fine, or both if he or she willfully discloses ANY identifiable information about you or your operation. Response is **voluntary**.

Please make corrections to name, address and Zip Code, if necessary.

PLEASE MAIL BY: March 18, 2016

Average price received or to be received by you for seed potatoes
purchased or contracted for future delivery.
