

Daily Activity Survey: Day 7, Tuesday, June 20th

Please answer the following questions about the outdoor activity of each person in your household today. You will take the survey once for each person in your household. For example, if you have 4 people in your household, you will take the survey 4 times.

This is the only time during the 4-year study that we will ask you to take this survey. You will receive a gift card for \$55 if you answer all 7-nights of the survey for all members of your household. The gift card will be sent to you within one week of completing the last night of the survey.

The information we gather will truly help us to better understand where people are encountering ticks. Thank you so much for your time and help!

- * 1. Please enter your household **BITM Study ID#**. If you do not remember your ID#, please enter your street address, city, and state, or contact your State BITM Study Coordinator to obtain the number. For CT, contact Rayda Krell, backyardtickstudy@wcsu.edu, 203-837-8835; for RI, contact Steve Engborg, steven_engborg@uri.edu, 401-874-2607.

- * 2. Please enter the first and last initial and age of the person for whom you are answering the survey.

3. Did this person spend time in your household in the past 24-hours?

- Yes
- Yes, but this person **did not spend any** time outside today (e.g., did not even walk to mailbox, did not take garbage to curb, etc.)
- No, this person was away from the household for the past 24 hours.

Please clarify, if needed.

* 4. How much time did this person spend in the wooded area of your property today? (Please enter your answer as a whole number between 0-59 for minutes and 0-24 for hours. If this person did not spend any time in this area, please enter 0 for each. If you do not know if this person spent time in this area, please try to find out. If you cannot find out, please enter "?" for each.)

Minutes

Hours

* 5. How much time did this person spend within 10-ft of the wooded area of your property today? (Please enter your answer as a whole number between 0-59 for minutes and 0-24 for hours. If this person did not spend any time in this area, please enter 0 for each. If you do not know if this person spent time in this area, please try to find out. If you cannot find out, please enter "?" for each.)

Minutes

Hours

* 6. How much time did this person spend outside in your yard 10-ft or more away from the wooded area of your property today? (Please enter your answer as a whole number between 0-59 for minutes and 0-24 for hours. If this person did not spend any time in this area, please enter 0 for each. If you do not know if this person spent time in this area, please try to find out. If you cannot find out, please enter "?" for each.)

Minutes

Hours

* 7. Did this person spend time in a vegetable garden in your yard today?

- Yes
- No
- Don't know
- No vegetable garden in my yard.
- Prefer not to answer

Daily Activity Survey: Day 7, Tuesday, June 20th

* 8. How much time did this person spend in a vegetable garden in your yard? (Please enter your answer as a whole number between 0-59 for minutes and 0-24 for hours.)

Minutes

Hours

Pachysandra and Myrtle

- 10
- More than 10
- Don't know
- Prefer not to answer

Daily Activity Survey: Day 7, Tuesday, June 20th

Please answer the following questions about any tick prevention measures used by this person today.

* 21. Did this person take a shower or bath today?

- Yes
- No
- Don't know
- Prefer not to answer

Daily Activity Survey: Day 7, Tuesday, June 20th

22. What time did this person bathe or shower? Please enter the time that this person bathed or showered followed by AM or PM. If he/she bathed or showered more than once today, separate each time with a comma (Example: 7:30 AM, 6:45 PM).

Daily Activity Survey: Day 7, Tuesday, June 20th

* 23. Did this person use a repellent product today?

- Yes
- No
- Don't know
- Prefer not to answer

Daily Activity Survey: Day 7, Tuesday, June 20th

24. Please select the name of the product and the percentage of active ingredient or enter it the text box. (Example: Cutter Backwoods, 25% DEET).

Daily Activity Survey: Day 7, Tuesday, June 20th

* 25. Did this person place the clothes he/she wore into the dryer immediately after being outside today?

- Yes
- No
- This person was not outside today.
- Don't know
- Prefer not to answer

* 26. Did this person perform a bodily tick check today?

- Yes
- No
- Don't know
- Prefer not to answer

Comments (optional)

Daily Activity Survey: Day 7, Tuesday, June 20th

27. Do you have another person in your household?

Yes

No

Daily Activity Survey: Day 7, Tuesday, June 20th

* 28. If you or someone in your household had ticks crawling on, or attached to your body today, did you or a household member submit a photo of the tick(s) to Tickspotters (tickspotters.org/BITM)?

- Yes
- No
- No one in our household had crawling or attached ticks today.
- Don't know
- Prefer not to answer

Daily Activity Survey: Day 7, Tuesday, June 20th

29. How many ticks did you report on Tickspotters today?

A small, empty rectangular input field with a downward-pointing arrow on the right side, indicating a dropdown menu.

Daily Activity Survey: Day 7, Tuesday, June 20th

30. Why didn't you submit any ticks to the Tickspotters website?
