

Injury Control Research Centers (ICRC) Indicators Data Collection 20XX – Non-CDC Study Supplement

Form Approved
OMB No.: 0920-xxxx
Expiration Date: XX/XX/XXXX

Public Reporting burden of this collection of information is estimated at 5 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NW, MS D-74, Atlanta, GA 30333; Attn: PRA (0920-XXXX).

What additional information do you want to provide about completed and ongoing studies (e.g., cross-disciplinary nature of studies, innovative studies, how a study impacted the field, how studies related to your previous studies or planned future studies, etc.)? (There is no character limit for this response)

Other Significant Information

Describe any other proposed research-related objectives and activities for the budget year and any significant programmatic changes.
