## Followback Survey Final Report

The National Institute for Occupational Safety and Health (NIOSH) surveys people involved with its health hazard evaluations. We want to learn your thoughts about the evaluation and the report.

Your responses will be kept securely according to federal laws. Our reports include only summary information and will not identify you. About one year from now, we will send you the last survey, which asks about our recommendations.

**Thank you for completing this survey**

Please mail the completed survey to NIOSH in the enclosed postage paid envelope.

Call Barbara Jenkins at 513-458-7132 if you have any questions about the survey.

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0260).
