1.2 “Quality Measurement and Evaluation” Section

Quality Measurement and Evaluation

+/-

- The state provides assurance that all Health Homes providers report to the state on all applicable quality measures as a condition of receiving payment from the state
- The state provides assurance that it will identify measurable goals for its Health Homes model and intervention and also identify quality measures related to each goal to measure its success in achieving the goals
- The state provides assurance that it will report to CMS information submitted by Health Homes providers to inform evaluations, as well as Reports to Congress as described in Section 2703(b) of the Affordable Care Act and as described by CMS
- The state provides assurance that it will track avoidable hospital readmissions and report annually in the Quality Measures report
