1. HH3 Technical Assistance

1.1 Technical Assistance Request Screen – Path 1

The screenshot shows a web application interface with a dark blue header. The header contains navigation tabs: 'News', 'Tasks (5)', 'Records' (which is highlighted with a yellow underline), 'Reports', and 'Actions'. On the right side of the header, there is a user profile icon and the name 'Applan'. Below the header, the main content area is white. At the top of this area, there are two radio buttons: 'Yes' (selected) and 'No'. Below this is a section titled 'Technical Assistance' in blue. The text under this section explains that technical assistance is available through a mailbox for questions about core set reporting and technical specifications. It also mentions that a 'Consolidated Implementation Guide' and a 'Technical Specifications and Resource Manual' are available for further assistance. Below this text is a question: 'Do you have a Technical assistance request for the Technical assistance and Analytic Support mailbox related to the measure in the current year? *'. This question has two radio buttons: 'Yes' (selected) and 'No'. Below the question are the 'From' and 'CC' fields. The 'From' field contains the text 'NV SEDItone <jchoudhary@qssinc.com>'. The 'CC' field is empty. Below the 'CC' field is a note: 'Multiple email ids separated by comma can be entered'. Below this is the 'Subject' field, which contains the text 'NV-2016-HHQM-Adult Body Mass Index Assessment'. Below the 'Subject' field is a note: 'Additional text in subject'. Below this is the 'Message *' field, which is a large text area. At the bottom left of the message field, there is a character count: 'Character count: 0/4000'.
