# 1. S10- MAGI Based Methodologies Screenshots

## 1.1 Section A. Household Composition

The screenshot displays the 'Medicaid State Plan Eligibility' page in the Appian system. The page title is 'MAGI Based Methodologies' with a breadcrumb trail: 'MEDICAID | Medicaid State Plan | Eligibility | NV2017MS0026D'. A progress bar at the top indicates the status is 'Not Started'. Below this, a 'Package Header' section lists details: Package ID (NV2017MS0026D), Submission Type (Draft), Approval Date (N/A), Superseded SPA ID (N/A), SPA ID (N/A), Initial Submission Date (N/A), and Effective Date (N/A). A 'VIEW ALL RESPONSES' button is visible. The main content area is titled 'A. Household Composition' and contains three numbered questions with radio button options. The first question is about family size for a pregnant woman, with option 'c' selected. The second question is about family size for other individuals, with option 'c' selected. The third question is about the age for children, with option 'b' selected.

**A. Household Composition**

- In determining family size for the eligibility determination of a pregnant woman, she is counted as herself plus each of the children she is expected to deliver.
  - a. The pregnant woman is counted just as herself.
  - b. The pregnant woman is counted as herself, plus one.
  - c. The pregnant woman is counted as herself, plus the number of children she is expected to deliver.
- In establishing household composition under the rules for non-filers set forth at 42 CFR 435.603(f)(3), the state elects the following age for children:
  - a. Age 19
  - b. Age 19, or in the case of full-time students, age 21

### B. Household Income +/-

**Financial eligibility is determined consistent with the following provisions:**

- When determining eligibility for new applicants, financial eligibility is based on current monthly income and family size.
- When determining eligibility for current beneficiaries, financial eligibility is based on:
  - a. Current monthly household income and family size
  - b. Projected annual household income and family size for the remaining months of the current calendar year.
- In determining current monthly or projected annual household income, the state considers reasonably predictable changes in income:
  - Yes  No
    - a. Include a prorated portion of a reasonably predictable increase in future income and/or family size.

**The methodology used by the state to account for and verify such change is:**

Character count: 0/4000
    - b. Account for a reasonably predictable decrease in future income and/or family size.

**The methodology used by the state to account for and verify such change is:**
