C. Administration of the Medicaid Program +/-

The state plan may be administered solely by the single state agency, or some portions may be administered by other agencies.

- 1. The single state agency is the sole administrator of the state plan (i.e. no other state or local agency administers any part of it). The agency administers the state plan directly, not through local government entities.
- 2. The single state agency administers portions of the state plan directly and other governmental entity or entities administer a portion of the state plan.
 - a. The single state agency supervises the administration through counties or local government entities.
 - b. The single state agency supervises the administration through other state agencies. The other state agency implements the state plan through counties and local government entities.
 - c. Another state agency administers a portion of the state plan through a waiver under the Intergovernmental Cooperation Act of 1968.

D. Additional information (optional) +/-
