### C. Presumptive Eligibility Determination

The presumptive eligibility determination is based on the following factors:

1. The individual must meet the categorical requirements of 42 CFR 435.119.
2. Household income must not exceed the applicable income standard described at 42 CFR 435.119.
  - a. A reasonable estimate of MAGI-based income is used to determine household income.
  - b. Gross income is used to determine household income.
3. State residency
4. Citizenship, status as a national, or satisfactory immigration status

### D. Qualified Entities

Figure 4: Adult Group - Presumptive Eligibility – 4

### D. Qualified Entities

1. The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group. A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual's household income and other requirements.
2. The following qualified entities are used to determine presumptive eligibility for this eligibility group:
