### C. Presumptive Eligibility Determination +/-

The presumptive eligibility determination is based on the following factors:

- The individual must meet the categorical requirements of 42 CFR 435.150.
- State residency
- Citizenship, status as a national, or satisfactory immigration status

### D. Qualified Entities +/-

- The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group. A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual's household income and other requirements.
- The following qualified entities are used to determine presumptive eligibility for this eligibility group:
- The state assures that it has communicated the requirements for qualified entities, at 1920A(b)(3) of the Act, and has provided adequate training to the entities and organizations involved.
- A copy of the training materials has been uploaded for review during the submission process.
