1. State-Specific Measures Screenshots

1.1 Report Documents

The screenshot shows a web application interface for reporting documents. At the top, there is a navigation bar with 'News', 'Tasks (3)', 'Records', 'Reports', and 'Actions' (highlighted). A user profile icon for 'Appian' is in the top right. The main heading is 'State-Specific Measures' with the OMB number 'CMS-10434 OMB 0938-1188'. Below this, the measure title 'Medicaid and CHIP Child Core Quality Measures - ZZ - 2017' is displayed. There are buttons for 'REQUEST TECHNICAL ASSISTANCE' and 'VIEW ALL RESPONSES', along with links for 'Request System Help' and 'View Implementation Guide'. A paragraph explains that states can report additional quality measures as part of the CHIPRA project. The 'Report Documents' section includes a 'Saved Documents' list with criteria: 84 maximum documents, 2MB file size, and supported extensions (pdf, ppt, doc, docx, xls, xlsx, pptx). An empty table with columns for Name, Description, Date Created, Updated By, Size, and Type is shown with the message 'No items available'. An 'UPLOAD' button with a file icon is present. At the bottom right, there are 'DELETE DOCUMENT(S)' and 'SAVE DOCUMENT(S)' buttons. A 'PRA Disclosure Statement' is provided at the bottom left. At the very bottom, there are 'CANCEL', 'SAVE', 'GO TO PREVIOUS MEASURE', and 'GO TO ADMIN SCREEN' buttons.
