

Justification for Non-Substantive Changes for Form SSA-521
Request for Withdrawal of Application
20 CFR 404.640, 416.355
OMB No. 0960-0015

Revision to the Collection Instrument

- **Change #1:** Add a form letter to be included with the SSA-521 when we receive a request to withdraw an application at the hearing level.

Justification #1: We are adding this letter, as we believe it will increase the likelihood that recipients will return the form. In addition, this cover letter provides a way for the recipients to contact the office if they have any questions.

This action will not affect the public reporting burden.
