TITLE: Personal Responsibility Education Program (PREP) Promising Youth Programs (PYP)

OMB NO.: New Collection

DESCRIPTION: The Personal Responsibility Education Program (PREP) grantees provide education to adolescents on both abstinence and contraception for the prevention of pregnancy and sexually transmitted infections, as well as education on additional topics to prepare youth for adulthood. PREP programs are overseen by the Family and Youth Services Bureau (FYSB), in the Administration for Children and Families (ACF), in the U.S. Department of Health and Human Services (HHS).

The Promising Youth Programs (PYP) project supports PREP programming in two ways. First, it supports PREP grantees as they collaborate with independent evaluators to conduct evaluations of their programs.

Second, it is working to develop curricula to address PREP-related needs for underserved youth. PYP is overseen by ACF's Office of Planning, Research, and Evaluation (OPRE). To support the PYP project, FYSB and OPRE seek approval to collect the following information:

(1) Abstract template: we will annually ask grantees and their independent evaluators to develop/update abstracts about their evaluations.

- (2) CONSORT (CONSolidated Standards of Reporting Trials) diagram template: we will bi-annually ask grantees and their independent evaluators for information about study recruitment, enrollment, and retention.
- (3) Baseline equivalence template: we will bi-annually ask grantees and their independent evaluators for information that demonstrates whether program and comparison groups are comparable.
- (4) Youth discussions topic guide: we will hold discussions with youth from target populations about their perceptions of PREP-related programming.

RESPONDENTS: Grantees and their independent evaluators; and youth from target populations.
