## Instructions

### Step 1

- Take a quick look at the list of items to the left.
- Sort them into groups that make sense to you.

There's no right or wrong answer. Just do what comes naturally.

### Step 2

- Drag an item from the left into this area to create your first group.

### Step 3

- Select the title to rename your new group.

### Step 4

- Add more items to this group by dropping them on top of it.  
You can also move items from one group to another if you decide it's a better fit.
- Make more groups by dropping them in unused spaces.
- When you're done select "Finished."
