

Seeking Safety Training Survey

Please complete this evaluation for today's Seeking Safety training. Your responses will help us to understand how best to support you in your work to prevent and raise awareness of issues concerning substance use and trauma among women aged 55+. IHR relies on your honest opinions & suggestions for improvement of future trainings. All of your responses will be kept confidential and will only be reported in the aggregate. Your name will not be used in any reports put together for this project.
