Office of Population Affairs (OPA) Teen Pregnancy Prevention and Pregnancy Assistance Fun Grantee Satisfaction Survey

1.

Office of Population Affairs (OPA)
Teen Pregnancy Prevention and Pregnancy Assistance Fund

Grantee Satisfaction Survey
2020

2. INTRODUCTION AND INSTRUCTIONS

INTRODUCTION

You have received this survey, because your organization has one or more federal awards (grant or cooperative agreement) funded by the Office of Population Affairs. If your organization has more than one OPA award, you will receive a separate survey for each grant.

The purpose of this survey is to assess your satisfaction with OPA grantee support, communications, and other resources. We are also interested in your suggestions for how to improve the services, technical assistance (TA) products, and support from OPA and our contactors. OPA plans to use the results of the survey for continuous quality improvement efforts, including more effective customer service and to identify areas for improvement.

INSTRUCTIONS

If you have more than one federal award from OPA, please complete a separate survey for each grant project. Feel free to consult with others within your organization on each of your grant projects, but only submit one survey per grant.

Please answer questions as they relate to this past grant year.

Your participation is voluntary and confidential. You are encouraged to answer all questions but you may skip any item. Please provide honest responses and complete information. Your participation is not associated with your grant project in that your responses will not affect your current award or your eligibility for, or receipt of, future services or funding.

Do not put your name or organization's name on the survey. Results will be reported to OPA in a manner that does not identify information about an individual or an organization and to be used only for the purposes of continuous quality improvement. Aggregated results may be used by OPA to share with selected stakeholders (e.g., grantees, federal partners) for the purposes of knowledge-sharing and improving processes.

Please take the time to complete the entire survey. It should take about 20 minutes per grant project. If you have questions about this survey, please email Dr. Suzanne Randolph Cunningham at opasurvey@mayatech.com.

Please submit your responses by [DATE/TIME]. Thank you for your participation.

Please submit your responses by [DATE xx, 2020] by 8:00 pm Eastern Time . Thank you for your participation.
