OMB No. 0990-0379 Exp. Date 09/30/2020

Thank you for taking SBI with Adolescents. This short survey has been designed to assist us in assessing the simulation you just completed. Your participation in this survey is voluntary. There will be no negative consequences to you if you decide not to participate. All of your identifying information is confidential and your answers will be anonymous. Your results will be combined with responses from other survey participants and may be presented at scientific or medical meetings or published in scientific journals. By submitting your answers to this survey, you are agreeing that you have read and understand the nature and consequences of participation. Thank you for your participation.

"Substance use" refers to the use of tobacco, alcohol and all other drugs, including inappropriate use of prescription drugs.

aspects when working with an adolescent:				
	Not at all competent	Only a little competent	Moderately compete	nt Verv compete
