Volunteers needed to give feedback on a survey

The Bureau of Labor Statistics (BLS) is looking for veterans or people who live with a veteran to participate in a research study.

Participation is by phone. Sessions take up to 1 hour. You'll be asked to answer questions about finding a civilian job and transitioning to civilian life.

Additional eligibility screening may apply.

Please contact Stella at 202-691-7524 or Research@bls.gov.
