

Airport Data Change Form (Public/Private Use)

Instruction

- All Part 157 airport data changes must be submitted to the respective regional office (RO) or airport district office (ADO) for proposed changes. The RO or ADO is responsible for providing the results of the aeronautical evaluation and effects to the airport operator and NFDC.
- Please specify additions, deletions, or revisions to the Airport/Facility Directory (A/FD) or Supplement.
- Please refer to the A/FD Legend Items 1-34.
- Requests for changes to aeronautical charts and related products, including Airport Sketches and Airport Diagrams (except MILITARY airports), should be submitted through the online [Aeronautical Chart Change Form](#). All changes for MILITARY airports should use this Airport Data Change Form.
