FCC Form 508  
OMB Control No. 3060-0986

NOTICE: Section 54.903(a)(1) of the Federal Communications Commission's rules requires each rate-of-return incumbent telecommunications carrier that does not elect voluntary model-based support to provide information needed to calculate the projected annual cost and revenue data for each of its study areas in the upcoming funding year to USAC, the universal service Administrator. A rate-of-return carrier must submit this information on March 31st of each year, in order for the carrier to be eligible to receive Connect America Fund-Broadband Loop Support (CAF-BLS). This collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. §254. The data in the form will be used to calculate the amount of support, if any, that each reporting carrier is eligible to receive from the CAF-BLS mechanism.

We have estimated that each response to this collection of information will take, on average, 2.0 hours. Our estimate includes the time to read the instructions, look through existing records, gather and maintain the required data, and actually complete and review the form or response. If you have any comments on this estimate, or how we can improve the collection and reduce the burden it causes you, please write to the Federal Communications Commission, AMD-PERF, Paperwork Reduction Project (3060-0233), Washington, D.C. 20554. We also will accept your comments via the Internet if you send them to [Nicole.Ongele@fcc.gov](mailto:Nicole.Ongele@fcc.gov). Please **DO NOT SEND COMPLETED DATA COLLECTION FORMS TO THIS ADDRESS**.

Remember -- You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid Office of Management and Budget (OMB) control number. This collection has been assigned an OMB control number of 3060-0233.

The Commission is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. We will use the information that you provide to determine CAF-BLS amounts. If we believe there may be a violation or potential violation of a statute or a Commission regulation, rule, or order, your form may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation, or order. In certain cases, the information in your form may be disclosed to the Department of Justice, court, or other adjudicative body when (a) the Commission; (b) any employee of the Commission; or (c) the United States government, is a party to a proceeding before the body or has an interest in the proceeding. In addition, information provided in or submitted with this form or in response to subsequent inquiries may also be subject to disclosure consistent with the Communications Act of 1934, FCC regulations, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law. Confidential treatment of the filed data may be requested in the cover letter by following the procedures set forth in Section 0.459 of the Commission's rules, 47 C.F.R. § 0.459.

If you do not provide the information we request on this form, you are not eligible to receive support under the CAF-BLS mechanism, 47.C.F.R. § 54.903.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, P.L. No. 104-13, 44 U.S.C. § 3501, *et seq.*
