

Questionnaire from the U.S. International Trade Commission (USITC) regarding web-based collection of information

To inform ongoing efforts to streamline and more efficiently collect information and data associated with Title VII / antidumping and countervailing duty investigations, the USITC is requesting input on potential implementation of online, web-based collection vehicles.

1. Since January 1, 2014, how many antidumping and/or countervailing duty investigations or 5-year reviews have you or your clients participated in at the USITC?

- As a Petitioner _____
- As a Respondent _____
- Other _____ (Explain: _____)

2. Based on your and/or your clients' experience during this period, which of the following document types have you provided to the Commission.

| Document type | Check if submitted to the Commission |
|--|--------------------------------------|
| Response to Notice of Institution | |
| Submission of Lost Sales Lost Revenue Survey | |
| Submission of U.S. Producer Questionnaire | |
| Submission of U.S. Importer Questionnaire | |
| Submission of U.S. Purchaser Questionnaire | |
| Submission of Foreign Producer Questionnaire | |
| Party Comments on Draft Questionnaires | |

3. For each document type that you have submitted to the Commission, what are the **benefits** to you or your clients of potential web-based collection?

| Document type | Benefits |
|--|----------|
| Response to Notice of Institution | |
| Submission of Lost Sales Lost Revenue Survey | |
| Submission of U.S. Producer Questionnaire | |
| Submission of U.S. Importer Questionnaire | |
| Submission of U.S. Purchaser Questionnaire | |
| Submission of Foreign Producer Questionnaire | |
| Party Comments on Draft Questionnaires | |

Additional Explanation: _____

4. For each document type that you have submitted to the Commission, what are the **challenges** to you or your clients of potential web-based collection?

| Document type | Benefits |
|--|----------|
| Response to Notice of Institution | |
| Submission of Lost Sales Lost Revenue Survey | |
| Submission of U.S. Producer Questionnaire | |
| Submission of U.S. Importer Questionnaire | |
| Submission of U.S. Purchaser Questionnaire | |
| Submission of Foreign Producer Questionnaire | |
| Party Comments on Draft Questionnaires | |

Additional Explanation: _____

5. For each document type below, please identify up to five key features/requirements of a web-based, extractable, collection vehicle (e.g., ability to save and complete later, ability to have multiple people complete different parts, ability to have counsel review and/or send for client, ability to provide attachments, etc.).

| Document type | Feature 1 | Feature 2 | Feature 3 | Feature 4 | Feature 5 |
|--|-----------|-----------|-----------|-----------|-----------|
| Response to Notice of Institution | | | | | |
| Questionnaires/ Surveys | | | | | |
| Party Comments on Draft Questionnaires | | | | | |

Additional Explanation: _____

6. How would you or your clients' ability to submit information through a web-based, extraction-enabled information collection vehicle impact:

| Factor | Please explain |
|------------------------------------|----------------|
| Accuracy of initial submission | |
| Completion time | |
| Paper burden | |
| Provision of corrections / updates | |
| Other (identify: _____) | |
