A Message from the Associate Director of Retirement Services

Dear Friend:

The U.S. Office of Personnel Management serves over 2.7 million federal annuitants and survivor annuitants. We work to provide our customers with high quality retirement benefit services. These benefits were earned through service to your country. OPM strives to provide services that match the commitment you made to public service.

This survey collects feedback on satisfaction with our retirement program products and services. We are asking federal annuitants and survivor annuitants to participate in this survey who on or after October 1, 2016; 1) contacted OPM Retirement Services for customer service regarding their retirement account, or 2) applied for and began receiving retirement annuity benefits from OPM Retirement Services. Your participation is voluntary; any information you provide will be kept confidential. This information will help us determine service areas that need improvement.

We will report the survey results to the President, Congress, and our own staff so they can assess how we are meeting our goals and carrying out our mission: Recruiting, Retaining, and Honoring a World-Class Workforce to Serve the American People. One way we do this is by maintaining a world-class benefits program. Your participation in this survey will help us build the workforce and achieve our mission. This means you continue to serve your country, and for that, we thank you.

Sincerely,

Kenneth Zawodny Associate Director Retirement Services

U.S. Office of Personnel Management Retirement Services FY 2017 Customer Satisfaction Survey

Purpose of this Survey

Every year the Office of Personnel Management (OPM) sets new goals for improving the retirement services we provide to Federal annuitants. To reflect how well we meet these goals, our survey focuses on retirees who had a transaction with us during the last year (from October 1, 2016). This includes Long-Time Retirees (retired before October 1, 2016) who contacted us for service regarding their retirement accounts, and New Retirees (retired on or after October 1, 2016) who initially applied for retirement benefits or contacted us for service regarding their new accounts.

Instructions

Please read the instructions carefully. Some questions may not pertain to you; please mark these with the "No Basis to Judge" response. For most of the questions, you will mark only one response, but a few questions noted as "Mark ALL that apply" allow for multiple responses. The last section of this survey is for New Retirees; Long-Time Retirees should not answer questions in the last section. If you need to stop doing the survey but plan to complete it later, click on Save. You can continue the survey by clicking on your original link. It will take you to the beginning of the survey, and you can page your way back to the point at which you left off. When you have completed the survey, click on the Submit button on the last page.

Please complete the questionnaire within 14 days of receiving email notice.
