According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0261. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Response to this survey is voluntary.

This survey is an opportunity for you to tell us what you think of the job we are doing and how we might better serve you in the future. Please take the time to fill it out.

The Illinois Department of Agriculture (IDOA) is committed to delivering exceptional customer service to the people of Illinois. In an effort to improve our quality of service, please take a few minutes to share your experiences with the Agency and its services. Reflect on your experience with the Illinois Department of Agriculture Bureau of Agricultural Products Inspection within the past 12 months as you answer the following questions. Your opinion is important, we will benefit greatly from your participation in this survey.

If you have dealt with more than one bureau of the Department of Agriculture, then you may receive more than one questionnaire. Please respond to each of the surveys.
