Email Address:

Why is this study being done?

We're conducting this study for the U.S. Department of Agriculture to learn about households' experiences with the school meals application process and program.

Who is conducting the study?

Mathematica Policy Research is conducting the study for U.S. Department of Agriculture (USDA)/Food and Nutrition Service (FNS) School Meal Application Study

Will my answers be kept private?

All information gathered for the study is private to the full extent allowed by law. The person who will interview you is prohibited from sharing your personal information with anyone other than authorized research staff. No information on households or individual children will be reported. Your participation is entirely voluntary.

How long will the interview take?

The interview usually takes about 45 minutes. And before the interview, it may also take about 2 hours for you to locate documentation we will ask you to provide. To thank you for participating, you will receive a **\$25 VISA gift card**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-XXXX. The time required to complete this information collection is estimated to average three minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
