### 2017 Industry Classification Report (OMB 0607-0991)

The 2017 Industry Classification Report will be conducted as part of the 2017 Economic Census. Due to agency funding levels, key aspects of the 2017 Economic Census have been re-planned. These changes will mean delays in mailing, data collection, processing, and the dissemination of final data products. The 2017 Industry Classification Report was originally scheduled to be mailed in October 2017 but is now scheduled to be mailed in February 2018. The revised due date is March 2018. All other aspects of this collection will remain the same. The table below shows the revised dates.
