

## OBSERVER NOTIFICATION

U.S. Department of Commerce NOAA/National Marine Fisheries Service, Alaska Region

Post Office Box 21668 Juneau, Alaska 99802-1668 Fax: 907-586-7465

Telephone: 907-586-7228

Notify observer	Each vessel operator must notify the observer at least 15 minutes before the time that a scale
of flow scale test	test will be conducted and must conduct the test while the observer is present. No form exists
	for this notice; vessel personnel verbally inform the observer that a scale test is scheduled.
Notify observer	Each vessel operator must notify the observer at least 15 minutes before the time that a scale
of hopper scale	test will be conducted and must conduct the test while the observer is present. No form exists
test	for this notice, which consists of vessel personnel verbally informing the observer that a scale
	test is scheduled.
Notify observer	The plant manager or plant liaison must notify the observer of the offloading schedule for each
of BSAI pollock	delivery of BSAI pollock by an AFA catcher vessel at least 1 hour prior to offloading. No form
delivery	exists for this notice. This notice consists of plant personnel verbally informing the observer
	that a pollock delivery is scheduled. An observer must monitor each delivery of BSAI pollock
	from an AFA catcher vessel and be on site the entire time the delivery is being weighed or
	sorted.
Notify observer	The manager of each shoreside processor or SFP that is required to have a CDQ observer must
of CDQ delivery	notify the level 2 observer of the offloading schedule of each CDQ delivery at least 1 hour prior
	to offloading. This notification would provide the level 2 observer an opportunity to monitor
	the sorting and weighing of the entire delivery. This notice typically consists of plant personnel
	verbally informing the observer that an incoming vessel will make a CDQ delivery. No form
	exists for this notice.
Notify observer	The plant manager or plant liaison must notify the observer of the offloading schedule for each
of Rockfish	delivery of groundfish harvested in a Rockfish Program fishery at least 1 hour prior to
Program	offloading. This notice consists of plant personnel verbally informing the observer that a
delivery	Rockfish Program delivery is scheduled. No form exists for this notice.
	The observer must be available to monitor each delivery of groundfish harvested in a Rockfish
	Program fishery and must be available the entire time the delivery is being weighed or sorted.

## PUBLIC REPORTING BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 2 minutes per response, including the time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to NOAA, National Marine Fisheries Service, Alaska Region, Attn: Assistant Regional Administrator, Sustainable Fisheries Division, P.O. Box 21668, Juneau, AK 99802-1668 (Attn: Records Officer).

## **ADDITIONAL INFORMATION**

Before completing this form please note the following: 1) Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number; 2) This information is being used to manage commercial fishing efforts under 50 CFR part 679 and under section 402(a) of the Magnuson-Stevens Act (16 U.S.C. 1801, *et seq.*) as amended in 2006; 4) Submission of this information is necessary for NMFS to approve video monitoring systems; 5) Responses to this information request are not confidential.
