eLibrary Web Search Modernization

Fast

- Fast search results
- 1-click download, zip files or pdf creation

Easy

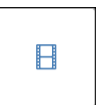

- Search screens are consolidated
- Look and feel is clean and modern
- Navigation is simpler

Reliable

- Less Downtime
- Reliable PDF Conversion
- Enhanced Security

Customizable

- Select the number of rows per page
- Select which data appears in the search result
- Organize search results by docket number or accession number

eLibrary

This search result will include all documents that possess an accession number, regardless of whether a docket number is assigned. It allows the user to search on keywords in addition to pre-defined meta-data. It is the most inclusive of all the searches. Its search result will not include legacy data.
