The Information Collection with OMB control number 2506-0212 contains 6 surveys, and this 83-c is requesting approval to make changes to only **two** of those surveys:

1. Outcomes Survey of Providers of Direct TA
2. Outcomes Survey of Recipients of Direct TA provided by third-party organizations

The information in this 83-c form (e.g., "Number of respondents") reflects only the 2 surveys that have been edited, not all 6 surveys.

The proposed changes do not impact the level of effort needed to provide responses to the surveys; instead, the changes are to survey language or information auto-populated in the survey. The changes include: (1) adding the OMB control number, (2) adding the form expiration date, (3) changing the name of the main HUD office, (4) eliminating some of the information auto-populated in the surveys, (5) auto-populating a list of additional TA Provider organizations as background, (6) adding a standard email address for questions about the survey, and (7) making minor language changes.
