Paperwork Reduction Act Statement

Information provided to the NRC as part of a SACADA simulator data collection request is subject to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.). This voluntary information collection was approved by Office of Management and Budget approval number 3150-XXXX, expiration MM/CC/YYYY.

The burden to the public for these information collections is estimated to average 6.3 hours per response, including the time for reviewing and responding to the request, reviewing and signing an agreement for the data collection, software installation, attending a training, and transmitting the data to a NRC sponsored database. The NRC needs this information to improve NRC's human reliability analysis methods and techniques. Send comments regarding burden estimate to the Information Services Branch (T2 F43), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, or by email to infocollects_resource@nrc.gov and to the Desk Officer, Office of Information and Regulatory Affairs, NEOB-10202, (3150-0043), Office of Management and Budget, Washington, DC 20503.

Public Protection Notification

The NRC may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the document requesting or requiring the collection displays a currently valid OMB control number.
