**NOTICE OF LIEN**

In reply refer to

Name:

SS No.:

Date Injured:

The individual named above has applied for sickness benefits under the Railroad Unemployment Insurance Act (RUIA). This letter is notice of the Railroad Retirement Board's (RRB) right to reimbursement of these sickness benefits from any sum payable on account of liability based on the injury or illness of the individual.

Section 12(o) of the RUIA (45 U.S.C. 362(o)) provides that sickness benefits are to be paid regardless of the liability of any person to pay damages for the same infirmity. The provisions make it clear, however, that the RRB is to be reimbursed from any sum or damages paid or payable on account of any liability based upon such infirmity. The RRB does not have a subrogation claim, but its right to reimbursement is, upon notice, protected by a statutory lien. The purpose of the provisions of section 12(o), as shown in its legislative history, is to provide the employee with income while the personal-injury claim is pending, subject to the RRB's right to reimbursement if damages are paid. **This is your lien as prescribed in section 12(o) of the RUIA.** In view of this lien you should see that the RRB is reimbursed if any settlement is made with the individual. Otherwise, you may have to reimburse the RRB. **To protect your interests, please follow these instructions:**

1. If you have liability insurance, give this letter to your insurance company and notify the RRB of the complete name and address of the insurance company by completing and returning the enclosed Form ID-30K-1. If you have any agreement whereby a third party may have assumed liability, make sure that the third party knows about this notice.
2. If it appears that through legal action or out-of-court settlement, a sum or damages may become payable for personal injury to the individual, please ask the RRB by letter or telephone how much has been paid in sickness benefits. Address your inquiry to the Office of Programs - Operations, Claims Adjustment and Settlement Section, at the address and telephone number shown below. If the inquiry is received before 2:00 P.M. (Central Time), it will normally be answered the next business day.
3. If a sum becomes payable for personal injury, make sure that any amount due in reimbursement for sickness benefits is withheld and paid to the RRB. Regulations require that you notify the RRB within 5 days of a settlement or judgment and that you pay the RRB the amount withheld to satisfy the lien within 30 days of the settlement or judgment. Please report the amount of the personal injury settlement by completing the enclosed Form ID-30K-1 and send it to the RRB with your remittance. Amounts that are not paid within 30 days are subject to interest charges from the date of settlement or judgment.

If the individual has received, or is to receive, worker's compensation, please contact the RRB. You are not to withhold and pay to the RRB any of the worker's compensation payments; but the RRB will need to know about them.
